Family for EveryChild  (Its an alliance of organizations based in UK)	November-March 2021	Focus is on children and families (Permanent families for children)	The objective of the project was to strengthen families and prevent them from the adversities of Covid-19	Nairobi and Kajjado - Counties where families reside (Kayole, Mathare, Dandora, Korogocho, Kabete, Kikuyu, Gachii, Kitengela and Isinya)	Responding to the effect of covid-19 Basic provision Families and children provided with face masks, therapeutic materials, and 50 parents benefit business grants  This was only to cushion USK against Covid-19 usually they fund small projects that cut across its membership
Friends Circle Netherlands	2021	Children and families	The objective of the project is to provide care, protection, rescue, rehabilitation and successful reintegration of children back to their families	Kitengela and other counties (Nairobi, Kisii,	59 children have been assisted in the centre 44 children reintegrated back to their families (29boys and 15girls) 5 boys dropped 12 placed in schools 10 children currently (5boys+5girls)

### Challenges that cut across

- 1-Effects of Covid-19
- 2-Inadequate donor funding (Place of Safety)-irrigation system, vehicle repair
- 3- under utilization of USK facilities and maintenance of the same
